

Opportunity Knocks Thrift Store

Without volunteers, the Opportunity Knocks Thrift Store would not exist. The thrift store offers a great alternative to throwing out unwanted items, and provides great deals on clothing, houseware, books and more. Proceeds benefit programs offered by LCOI. Volunteers can donate as much or as little time as they choose.

Lewis County Opportunities, Inc. Board of Directors

Members of the Board of Directors have a legal and ethical responsibility to ensure the organization actively pursues its mission. While board members are not usually involved in the day-to-day activities of the organization, they are responsible for oversight and governance of the organization. The Board meets 6 times per year.

Domestic Violence and Rape Crisis 24/7 Hotline

Hotline volunteers are compassionate and trained to assist callers who are in crisis. Volunteering for the hotline can be done from the comfort of your own home, up to three evenings per month. Trained advocates will provide the necessary training and support for all hotline volunteers.

Food Pantries

Food pantries are located throughout Lewis County to help provide food supplies to families in need. Volunteers are responsible for ordering food, stocking shelves, and the monthly distribution to families.

Our Mission

"Working with people in need to promote a higher quality of life in our community."

Our Vision

"A community where people are empowered to live safely without economic barriers."
